## ERRATA

We regret the following typesetter's error in "Barriers to Hispanic Employment Success in 1,200 Cities" by Kenneth R. Mladenka in the June 1989 issue of *Social Science Quarterly*:

In the last paragraph of the "Conclusion" (page 405) the sentence, "This study, however, demonstrates that electoral politics does not matter.", should read: "This study, however, demonstrates that electoral politics does matter."
